

Coalition earns grant

The Fountain Hills Youth Substance Abuse Prevention Coalition has been named the recipient of a CVS Health and ABC15 Community Heroes grant. The Coalition was awarded a \$2,500 grant that will be used to raise awareness about medicine safety and the dangers of e-cigarettes and vaping. A total of 10 grants were awarded as part of this program.

In addition to the \$2,500 grant and \$250 CVS pharmacy gift card, the local Coalition has the chance to be awarded a \$5,000 bonus grant. The organization who receives the most votes online through Aug. 31 will receive the bonus grant. To cast a vote, visit cvshealth.com/communityheroes and select "Fountain Hills Youth Substance Abuse Prevention Coalition."
